Dear Nola-rae,

Your request for a waiver of a Full HSR Committee review has been reviewed and a waiver is granted. The one thing we did wonder about was whether you plan to identify the particular school in your presentations or whether the school's identity will be unknown. You probably should check that out. Also, if they want to be unknown, you will have to delete the name of the school in your materials before they are deposited with the thesis (the permission letter, etc.) Please let us know about this and should the school not want to be identified, please be very careful with your materials to be sure that this does not happen.

Good luck with your project.

Sincerely,

Ann Hartman, D.S.W.
